

**DOTARE UPU-SMURD**

| <b>Nr.crt.</b> | <b>Denumire aparat</b>  | <b>Cantitate</b> |
|----------------|---|------------------|
| 1              | ANALIZOR PENTRU ELECTROLITI                                       | 1                |
| 2              | APARAT AUTOMAT DE DROGURI IN SALIVA TIP DRAGER DRUG TEST5000      | 1                |
| 3              | APARAT AUTOMAT DE GAZE SI ELECTROLITI TIP GASTAT NAVI             | 1                |
| 4              | APARAT EKG 3 CANALE   | 1                |
| 5              | APARAT MOBIL DE RADIOLOGIE  | 1                |
| 6              | APATAT UNIT DENTAR COMPLET ECHIPAT                                | 1                |
| 7              | ASPIRATOR DE SECRETII PORTABIL                                    | 3                |
| 8              | BAIE PENTRU INCALZIT SANGE  | 1                |
| 9              | CARUCIOR PENTRU INSTRUMENTAR SI MEDICAMENTE                       | 5                |
| 10             | DEFIBRILATOR CARDIAC  | 1                |
| 11             | DEFIBRILATOR CU MONITOR   | 1                |
| 12             | DEFIBRILATOR PENTRU CARDIACI                                      | 1                |
| 13             | DISPOZITIV MEDICAL DE TRIAJ                                       | 1                |
| 14             | EKG   | 1                |
| 15             | ECHIPAMENT IMUNOLOGIE PATHFAST                                    | 1                |
| 16             | EKG   | 1                |
| 17             | EKG CARDIOLINE  | 1                |
| 18             | LAMPA BACTERICIDA   | 1                |
| 19             | LAMPA MOBILA DE EXAMINARE   | 3                |
| 20             | LAMPA OPERATIE 4 FARURI   | 1                |
| 21             | LAMPA OPERATIE 9 FARURI   | 1                |
| 22             | LAMPA SCIALITICA  | 1                |
| 23             | LARINGOSCOPI CU SET CU LAME MODEL GREEN SPEC.2                    | 2                |
| 24             | LARINGOSCOPI CU SET LAME  | 2                |
| 25             | MODUL DOPLER CONTINUU UF 800 XTD                                  | 1                |
| 26             | MONITOR EKG   | 5                |
| 27             | MONITOR EKG   | 1                |
| 28             | MONITOR PTR.TERMINAL VIDEOCONFERINTA PANASONIC TH42LF25           | 1                |
| 29             | NEGATOSCOPI   | 1                |
| 30             | OTOSCOPI-OFTALMOSCOPI DE PERETE                                   | 7                |
| 31             | PAT RADIOTRASPARENT HIDRAULIC PT. TRANSPORT SI EXAMINARE          | 8                |
| 32             | PAT RADIOTRASPARENT HIDRAULIC STANDARD PTR.TR.SI EXAMINARE        | 1                |
| 33             | PAT RADIOTRASPARENT PT.TRANSFER ,RESUSCITARE SI TERAPIE INTENSIVA | 5                |
| 34             | PAT RADIOTRASPARENT PTR.TRANSFER,RES.TERAPIE INT.                 | 1                |
| 35             | PATURA INCALZITA CU AER CALD                                      | 1                |
| 36             | POMPA VOLUMETRICA PT. INJECTII                                    | 5                |
| 37             | ROUTER LOCATIE TERITORIU CISCO 1921/K9                            | 1                |
| 38             | SET ATELA VACUUM MODEL EM SOFT                                    | 2                |
| 39             | SET RESUSCITARE MODEL SMART BAG MO                                | 2                |
| 40             | SPIROMETRU  | 1                |
| 41             | TENSIOMETRU CU HG   | 1                |
| 42             | TENSIOMETRU CU STETOSCOPI   | 1                |
| 43             | TRUSA INTUBATIE   | 1                |
| 44             | VENTILATOR PORTABIL   | 1                |
| 45             | VENTILATOR PT. CAMERA DE RESUSCITARE                              | 1                |
